To Whom It May Concern:

This letter is to acknowledge the ongoing, productive relationship between MultiSource and The MHA Group, a national health care recruiting and staffing firm located in Irving, Texas.

The MHA Group is made up of several health care staffing and consulting companies, including Merritt, Hawkins & Associates, Allied Consulting, Staff Care, Med Travelers, and American Medical Consulting. Since 2000, these firms have been MultiSource's preferred providers in the areas of permanent physician staffing, locum tenens physician staffing, allied health professional staffing and medical staff planning and consulting.

We find The MHA Group's industry knowledge, commitment to quality and professionalism to be superior. The representation I have encountered from all The MHA Group companies has been outstanding. They are focused on finding the right solution for the customer and work tirelessly to achieve this goal. Original data generated by Merritt, Hawkins & Associates and other MHA Group companies regarding physician and allied professional compensation and practice patterns have been widely referenced by hospitals throughout the state and throughout the country.

We have found The MHA Group willing to spend the time and energy in Virginia to build relationships with our health care facilities. If you have any questions about their family of companies, please feel free to contact me at (804) 965-1219 or you may call them directly at 1-800-876-0500.

Sincerely,

Kevin C. Price, CPCU
