To Whom It May Concern:

This letter is to acknowledge the newly formed relationship between Idaho Hospital Association's Healthcare Business Ventures and Merritt Hawkins, a leading provider of physician search and consulting services.

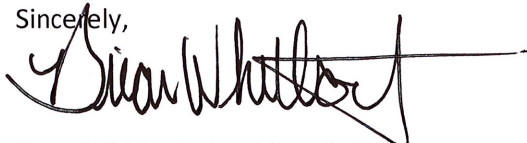

Established in 1987, Merritt Hawkins is the largest permanent physician search firm in the United States and is the acknowledged leader in its field. As a company of AMN Healthcare (NYSE: AMN), Merritt Hawkins is part of the largest healthcare staffing organization in the country.

We find Merritt Hawkins' industry-leading expertise, commitment to quality, and consistent professionalism to be superior within its field. Merritt Hawkins takes a consultative approach with its clients, providing the data and strategic perspective they require on the front end to establish an effective search program regardless of the client's size, location, or area of need. Merritt Hawkins then has the national resources and "bench strength" to source qualified candidates who match its clients' parameters, allowing it to place more physicians every year than any other firm in the industry.

Merritt Hawkins also is noted for its unrivalled thought leadership. Executives with the firm authored the definitive work on physician search – *Merritt Hawkins Guide to Physician Recruiting*—as well as the nationally noted book *Will the Last Physician in America Please Turn Off the Lights?* Merritt Hawkins' surveys, including its 2016 *Survey of Physician Appointment Wait Times* are continually cited by leading publications from *The Wall Street Journal* and *USA Today* to *Modern Healthcare* and *Hospitals & Health Network*. Executives with the firm address thousands of healthcare executives every year through highly regarded educational programs on physician staffing and related subjects.

We are confident that Merritt Hawkins will invest the time and energy to build positive client relationships in Idaho and I would welcome the opportunity to further discuss their services with you.
