

Client Assessment: Associated Physicians LLP Madison, WI

CLIENT ASSESSMENT

Terri Carufel-Wert
Director of Clinical Operations
Associated Physicians LLP
Madison, Wisconsin

With over 30 years of experience and unrivalled national resources, Merritt Hawkins is able to complete challenging search assignments on behalf of clients who require additional expertise and market reach. In the following client assessment, Terri Carufel-Wert, Director of Clinical Operations for Associated Physicians in Madison, Wisconsin, one of the last private medical practices in the city, describes how Merritt Hawkins assisted her group.

“We were in need of an Internal Medicine physician and Merritt Hawkins assisted us in finding an ideal candidate. One of our long-term Internal Medicine physicians had retired and we required a replacement.”

“Our Merritt Hawkins’ recruiting consultant did a fabulous job responding to our needs. He spent four to six hours with us getting to know our clinic and what we were looking for in our next physician. He was professional and realistic with what to expect regarding recruitment.”

“Merritt Hawkins brings to the table knowledge of the industry, thorough communication, and a strong, national reputation.”

“I would recommend Merritt Hawkins to others without and doubt and I would absolutely work with them again.”
